 - 5.1.9.** BTA will compensate the expenses for medical services rendered in medical centres, clinics or by private doctors in Turkey, Egypt, Greece and Bulgaria, with whom BTA does not have concluded cooperation agreements, only to the extent that BTA would have compensated them by paying for the same services to its cooperation partners.
- 5.2.** In the case of **medical evacuation, transportation**, BTA will compensate for:
- 5.2.1.** medical evacuation expenses from a hospital abroad to an in-patient clinic in the Domicile to proceed with the treatment. If a third party organizes medical evacuation, and the fact of rendering such services and the related expenses are not coordinated with BTA by the Client or his/her authorised representative in advance in writing, then BTA will indemnify the expenses for medical evacuation services within the limits of the minimal possible amount, for which BTA would have been able to render the medical evacuation. In case the Client rejects the proposed medical evacuation and stay abroad, proceeding or not the treatment process, BTA shall be relieved from the obligation to provide the medical evacuation service to the Client;
 - 5.2.2.** the expenses for travelling and services of the person, a health care worker, accompanying the Client, if escorting is required by the treating doctor's instructions, and is provided during medical evacuation. With doctor's permission, the health care worker may be replaced by a Family member, travelling with the Client, and in such a case, BTA will cover only the transportation expenses concerning the ticket replacement or procurement of a new economy class ticket, in case the previously purchased ticket cannot be replaced;
 - 5.2.3.** the transportation expenses of the Client incurred by him or her due to a necessity to return to the Domicile. These expenses will be covered in case, due to any of causes specified in Article 4.1, the Client was stationed and lost the opportunity to use the previously purchased tickets and they were non-refundable. BTA will only indemnify for economy class tickets in an equivalent kind of transport, which the Client failed to use. When the tickets purchased by the Client can be replaced or refunded, BTA will indemnify only the amount payable for ticket replacement.
 - 5.2.4.** In case the Client, during a Domestic trip, gets stationed due to a Personal accident, sudden illness or aggravation of a chronic disease and the hospital time, according to doctor's forecast, will last more than 3 days, BTA will cover the Client's medical transportation costs to a hospital at the Client's permanent place of residence.
- 5.3.** In the case of **Repatriation**, BTA will compensate for:
- 5.3.1.** transportation of the mortal remains to the Domicile airport, if the transportation is performed by plane, or to a mortuary, if the transportation is performed by other means of transport, and the death has occurred while on Trip.
 - 5.3.2.** transportation of the mortal remains to the mortuary at the permanent place of residence, if the death has occurred while on Domestic trip;
 - 5.3.3.** If repatriation is being arranged by a third party, and rendering and expenses of such services are not coordinated with BTA in writing, then BTA shall indemnify the minimum limit of the sum, for which BTA would have been able to organize the repatriation. repatriation costs.
- 5.4. In the case of a Child's evacuation, BTA will compensate for:**
- 5.4.1.** transportation expenses for economy class tickets, coordinated with BTA in writing, in case there is a need to get back to the Domicile country the Client's children of minor age, travelling with the Client and remaining without escort in case the Client has got stationed due to any of the causes specified in Article 4.1.
- 5.5. In the case of arrival of relatives, BTA will compensate for:**

In accordance with the aforementioned, groups of items are distinguished as follows: outerwear, underwear, footwear, cosmetics, hygiene products, souvenirs, baby carriages, suitcases, etc.

The sum insured for sports equipment is part of the sum insured for the insured risk "Luggage getting lost, stolen due to the carrier's fault" specified in Annex 2 of these Terms and Conditions.

11.3. Skiing and sports equipment is insured only provided that the Client has the insurance cover while doing sports according to the classification of sports specified in Articles 2.4-2.5.

11.4. Luggage insurance shall be in effect also when the Client returns to the Domicile from a Trip, except for larceny of luggage, while it is at the Client's disposal.

11.5. In case the carrier has compensated your losses for luggage in the case of occurrence of any of the insured risks specified in Article 10.1, BTA will compensate the difference between the direct losses caused to the Client and the carrier's compensated amount.

11.6. Delay of luggage cover will be in effect on the following conditions:

11.6.1. At the Client's arrival at the point of travel destination, intermediate point of trip, or a location where the Client has intended to stay longer than 24 (twenty-four) hours, the dispensing of the Client's luggage is delayed for more than 3 (four) hours; In such a case, the Client will be refunded for purchasing basic necessities (incl. one mobile telephone charger) and hygiene items, as well as clothing appropriate for the local climate, purchased by the Client to replace the items in the Client's luggage; in the case of delay of sports equipment, the Client will be compensated for the expenses for the rent of sports equipment; Only those expenses, occurring to the Client until the moment of getting back the Client's luggage, shall be compensated;

11.6.2. The Client shall submit to BTA copies of receipts for purchases or rent of sports equipment, luggage registration slip, confirmation statement issued by the carrier of the luggage delay fact.

11.6.3. In case luggage get delayed for a time of 10 (ten) and more hours in the Domicile of the Client, when the Client returns from the Trip, BTA will pay indemnity of EUR 25 (twenty-five euros) for the occurrence of this fact.

11.7. In the case of **luggage getting lost, stolen due to the carrier's fault** BTA will pay insurance indemnity of the amount of the actual value of luggage right before the insured event.

Luggage will be regarded as lost, if it is not found within 14 (fourteen) days since the moment the fact of loss is established and there is the carrier's written confirmation thereto.

In case the Client cannot provide documentary evidence of the actual value of the luggage right before the insured event occurrence, BTA will determine the actual value of luggage as the amount of money for which the particular missing item could be purchased right before the insured event, applying depreciation of 20% (twenty percent) per annum for objects, older than one year.

In order to be eligible to insurance indemnity, the Client has to submit to BTA the luggage registration slip, confirmation statement of the luggage loss fact, issued by the carrier, and the amount of the paid compensation.

Any previously made disbursements made for the delayed luggage risk shall be deducted from the payable indemnity.

11.8. In the case of **luggage damages**, BTA will pay insurance indemnity as the amount of expenses required to make the necessary repairs in case the repair expenses exceed the actual value of luggage prior to the occurrence of insured event, or repair is not feasible, the principle referred to in Article 11.7 shall be applied to compensate losses.

In case BTA has made decision to pay insurance indemnity for the damaged luggage in the amount of its actual value prior to the occurrence of the insured event, then BTA shall be entitled to demand the damaged luggage be submitted to BTA.

To get paid insurance indemnity, the Client has to submit to BTA: the luggage check-in ticket, the carrier's confirmation to the fact of luggage loss and the amount of disbursed compensation, and present the damaged luggage or submit good quality photos of the damaged luggage that would enable a good and objective assessment of the damages. In the case of repair, documents confirming the repair expenses shall be submitted.

11.9. In the case of luggage larceny, while it has been at the Client's disposal, BTA will compensate to the Client for the expenses for purchasing articles of first necessity, made within 48 (forty-eight) hours since establishing the fact and which replace the stolen luggage units, without exceeding the sum insured defined in Annex 2 of these Terms and Conditions for this insured risk.

Insurance indemnity will be paid provided that the Client has reported the fact of larceny within 24 (twenty-four) hours to a law-enforcement institution of the respective country, and a document confirming this fact has been issued.

In order to be eligible to insurance indemnity, the Client has to submit BTA a document issued by a law-enforcement institution, confirming the fact of reporting the larceny, as well as copies of purchase receipts.
